

Full Prosthetics Course 2nd-5th June 2025

Technovent has a wealth of knowledge including 20 years' of silicone elastomer experience, which has led to the development of many innovative products.

We manufacture our own brand silicone elastomers, adhesives, colours and MagnaCap magnetic retention systems.

The key to creating a high quality maxillofacial prosthesis is a comprehensive understanding of the materials and techniques used thus enabling optimisation of properties and improved patient satisfaction.

Our 2025 Full Prosthetics Course is a 4 day hands on course which covers all procedures required to create an Auricular Prosthesis using Technovent materials.

Through a blend of demonstrations and hands on exercises you will construct your own auricular prosthesis from the initial impression taking through to the final silicone colouration.

These skills will then be used to mould and create a nasal and orbital prosthesis.

The course programme includes lectures on Implant Planning, use of the Technovent Magnet System in facial prostheses and Silicone Technology.

The course is held at our office in Bridgend, South Wales, UK.

Postcode Location: CF31 3TB

Cancellation

Requests to cancel a course booking or workshop can only be considered if they are made by emailing info@technovent.com

If you cancel, the following rules apply:

Cancellation within 14 days of the booking confirmation being issued - Full refund (minus £25 admin fee).
Cancellation after 14 days of booking confirmation and before 30th April - No deposit refund.

Course numbers are limited to give you more personal attention and high quality training, therefore a single cancellation can make a big difference to the viability of our training courses.

Once you have booked a place, your full course fee is non-refundable unless another participant can be found to take your place in advance of the event. Your deposit, is non-refundable.

If you wish to cancel and make your place available to others, please tell us as soon as possible.

Refunds

Any refunds requested, once accepted in accordance with these Terms and Conditions and actioned, will usually be paid within 7 working days if you have paid by debit or credit card. Refunds may take a little longer if you have paid by bank transfer. An admin refund fee of £25 will be charged for all refunds.

Course cancellations by us

In the very unlikely event it is necessary to cancel a course due to circumstances beyond our control, we will inform you by email with as much notice as possible. We will not be responsible for any expenses such as accommodation or travel due to a cancelled event, however we will refund your course fee.

Materials distributed during a training course:
